

THE
SHELTER

Dear friends of The Shelter,

We thank you for joining us in celebration of the first full year of THE SHELTER. Since the first family moved in on December 8, 2018, we have had over 15 families gain the benefit of the peaceful dome homes in Kahalu'u. Several moms are now gainfully employed fulltime and others have even transitioned into permanent housing!

Today THE SHELTER is actively dedicated to being PART OF THE SOLUTION to end homelessness in Hawaii for single mothers and their children. We know that if we're going to fulfill this vision, it's going to take the effective partnership of the government, the community, the corporate world, the non-profit organizations and the faith-based ohana to come together to support our friends in need.

Enclosed is the exciting opportunity to partner together through THE SHELTER'S Inaugural Aloha Ke Akua Celebration Dinner on May 2, 2020 as well as the Aloha Ke Akua Golf Tournament on May 29, 2020. You'll find all the details and opportunities to join us as celebrate lives changed!

THE SHELTER means HOPE for their future! Let's all be PART OF THE SOLUTION! 🙏

**Why
The
Shelter**

Homelessness is a BIG problem in Hawaii. Recently, HUD ranked Hawaii #2 in the United States per capita rate of homelessness. Yet, no active and complete solution currently exists

to address and curb the problem. The recent model created by THE SHELTER, confirms that a faith-based approach using dome like structures can make a difference providing transitional housing

for homeless mothers and their children. Receiving a new start in a drug and alcohol free environment, provides the safety and peace with which to create a strong foundation along with critical

spiritual support and ohana valued community living. With a sense of regained self confidence, these women live each day with hope as they embark on a journey of employment and connections to

affordable permanent housing. THE SHELTER model does work! Help us continue the good work that has begun. Help us also to expand the model to other parts of the island, state and the nation. 🏡

OPPORTUNITIES

Be part of the Solution

We all want homelessness to disappear!
And yet we don't know how to help. Until now.

THE SHELTER is a solution. Not the only one.
But it is one that works. Several families have already been successfully integrated back into society as productive citizens.

BE PART OF THE SOLUTION by helping in sponsoring either the Dinner Gala on May 2, 2020 or the Aloha Ke Akua Golf Tournament on May 29th. Your donations will actively continue the momentum that is changing the lives of the mothers while bringing normality to children.

THE SHELTER needs your help. Know that your donations are not used to find a solution. Rather, it will directly contribute to continuing and expanding a solution that works!

Thank you very much for BEING PART OF THE SOLUTION! 🙏

"This is a beginning.

This is a model.

This is something that

as this grows is replicable."
